IS THERE A MUST-SPRITZ SCENT?

Fresh, clean florals with notes like rose, orange flower and violet are big, says perfumer Francis Kurkdjian.

What's the download on gadgets?

• **Extralight netbooks** "They're functional, portable, and cost less than most laptops," says Mia Kim, founder of popgadget.com. "The Umid mbook is the world's smallest PC—it weighs less

than one pound!"

• **Ultrasmart phones** "The Nokia N900 has the power of a netbook in the size of a phone. It has a touchscreen and a 5-megapixel camera, plus it supports Flash."
