**NEW LOOKS UNDER \$50
OUTFITS TO WEAR TONIGHT!**

**Bond No. 9
Central Park
South, \$190**

The latest perfume from this NYC-inspired brand is an homage to Central Park and the green ivy, lily of the valley, and cedar bark found there.

**Justin Bieber
Girlfriend, \$39**

Bieber's mash-up of vanilla, pear, and blackberry smells flirty. (And we heart the Slinky-like bottle!)
