15th Anniversary Issue

This month, we're all about crystal—the customary gift when you're 15 years in. Turn to page 10 to enter for a chance to win everything on the list!

## Star Power

The mini bottles are stunning (each one in this three-piece set is sheathed in Swarovski crystals), and the scents are seductive. All that's missing is a man in a tux dabbing some on your neck as the sun sets over Manhattan. (Bond No. 9 New York Mini Trio Swarovski, \$375; bondno9.com)

04/22/15 CODE:033

## Light on Your Feet

Think *Mad Men* meets Roman Holiday with these on-trend sandals decorated with Swarovski crystals. (Harah Jewelled Block Heel Sandals, originally \$125, now 20 percent off with code **SPARK**; dunelondon.com/us)

## Dial G for Glamour

These cases (available for four iPhone models and the Samsung Galaxy S5) are swankily outfitted in an ombré crystal design that guarantees sparkling conversation! (DeBari Lume Crystaria Fade Cases, \$50 to \$55 each; cellairis.com)
