FASHION, BEAUTY & TRENDS

With brothers Neil and Reid as the Band Perry.

FAVORITE HAIR PRODUCT

"Davines Melu Conditioner. It's marvelous for curly hair!" (\$26; davines.com for salons)

BEAUTY BARGAIN

"Neutrogena Healthy Volume Waterproof mascara. I love drugstore mascaras." (\$7.49; neutrogena.com)

Kimberly Perry MY STYLE SECRETS

THE BAND PERRY SINGER SHARES SOME OF HER BEAUTY MUST-HAVES

OVERALL STYLE "Tomboy and feminine. When I was a kid, I was more of a tomboy, and when I got older, I fell in love with fashion. So I'm a mixture of the two."

FAVORITE FEATURE "My hair. It's my superpower! If it doesn't have height, my performance will be flat too!"

BEAUTY SPLURGE "Facials and massages. Touring takes a toll on my skin and body, so I pamper myself to avoid 'road wrinkles.'"

BEST BEAUTY TRICK "Stay hydrated. I drink a ton of water every day. I thought it was an old wives' tale, but my skin is clearer and has a luster about it."

COUNTRY STYLE ICONS "Dolly Parton, Loretta Lynn and Patsy Cline. They had attitude and honed a unique appearance. And I love that old, blingy western wear."

I FEEL BEAUTIFUL WHEN... "I'm at home in my workout clothes without a stitch of makeup! And then when I'm onstage in full makeup and full wardrobe, singing country songs with country fans."

SKIN SAVER

"Kiehl's Abyssine Lotion + SPF 15. I put it on first thing in the morning and at night." (\$43; kiehls.com)

FAVE SCENT

"Bond No. 9 NYC Chinatown. It's powdery and not too overwhelming." (\$160; bondno9.com)

FAVE NAIL POLISH

"Butter London in the Full Monty. The gold color matches my skin tone and hair." (\$14; butterlondon.com)
