Saks Fifth Avenue

Bond No. 9 Swarovsky Stars

In the Mother's Day nick-of-time, Saks Fifth Avenue has something especially unique for gift-seekers. Bond No. 9 and Swarovsky, innovators in the field of perfume and cut crystal, teamed up to create Bond No. 9 Swarovsky Stars in best-selling Bryant Park, Bleecker Street and Nuits de Noho scents.

These three beloved fragrances are available in 50ml. bottles completely crystallized with thousands of Swarovski crystals so tiny that together they shimmer and gleam as one. Instead of the classic bottle designs, these Swarovski Stars are covered in one single hue—either pink, green or blue. The effect is sleek, fun and a bit tabula rasa, all at the same time. Complex and dazzling. Just like you.

And for moms on the go—from soccer to socialite—Saks Fifth Avenue offers Swarovski Stars Bon Bons, a chic collection of all three scents in crystallized 6ml. purse-spray sizes (plus Eau de New York in white).
