7 A Bottle With Bling

Swarovski has teamed up with Bond No. 9 to bedeck three of the niche perfumer's New York theme scents. Just 400 flacons each of girlish Bryant Park, grown-up Nuits de Noho and sensual Bleecker Street will get the sparkly crystal treatment beginning in May. \$650 each; bondnog.com

8 Whole Foods

The latest nearly edible addition to the Be Fine Food Skin Care line is Rough Spot Lemon, an ultrasoothing balm that contains lemon oil and California avocado. \$18; befine.com

9 Sweet Talking

One sniff and it's clear that Marc Jacobs roamed the freezer aisle when mixing his latest Splash fragrances. The limited-edition, sorbet-inspired scents include Grapefruit (shown here) Pear and even a pungent Basil. The creations can be worn alone or layered for an intriguing fusion effect. \$65 each; at Bloomingdale's.
